Executive MBA in Management of Technology
Employer Sponsorship of Agreement

To the Sponsoring Organization:

Successful completion of the Executive MBA in Management of Technology program is best achieved through an explicit partnership among Georgia Tech, the student, and the sponsoring organization. Georgia Tech is committed to the success of every student and provides an extensive network of resources to help support the student's academic progress. For an executive student, that network of support must also include the active sponsorship of the employer. We thank you for believing in the reputation of Georgia Tech and for investing in your employees.
